

The Collie Refectory

noun: **refectory**

rə'fekt(ə)rē

A room used for communal meals, especially in an educational or religious institution.

Menaul School's cafeteria is getting a long-awaited facelift, and we couldn't be more thrilled! Along with the renovation, the cafeteria will have a new name, The Collie Refectory, in honor of a generous donation from the Collie family.

With this renovation, Menaul School is offering you a great opportunity to get involved on the ground floor while offsetting some of the costs. It is a great way to memorialize a loved one or to show how much you, or your family, care about Menaul School. You can participate by doing the following:

- **\$150 donation - your name will be displayed on a plaque on a chair**
- **\$1,500 donation - your name will be displayed on a plaque on a table**
- **\$2,000 donation - your name will be prominently displayed on a plate on a donor wall in the cafeteria**

By giving today, your name or family name can be recognized as part of this gathering place where we break bread daily and share time together as a Menaul School family!

Thank you,
