

## **MID JULY-EARLY AUGUST** **OPEN YOUR HOME TO THE WORLD!**

In a time when many seem to be closing their doors to the outside world, we here at Menaul School want to encourage our families and students to welcome and embrace those who are different from us. We believe that showing hospitality towards others helps to cultivate an open mind and compassionate heart. These in turn help foster a vibrant and caring community.

Here's your opportunity. We are now looking for families, couples, and singles to host an international student in their homes this summer during our English immersion camp, called [S.E.E.D.](#)

Here's the breakdown:

- **Time commitment:** 3.5 weeks (evenings and weekends only)
- **Responsibilities:** Provide a room, meals, English conversation, lots of encouragement, and transportation to Menaul School and back during the week.
- **Qualifications:** Safe and supportive home environment with an openness to learn and serve those from other cultures.

### What We Provide:

- Cross-cultural training and support
- Financial stipend per student to help cover expenses
- **The opportunity to impact a young person, and their family by extension, for a lifetime.**

**Share Family  
Traditions**
