

# HOST A MENAUL STUDENT FOR THE HOLIDAYS!

World smart.

## HELP A STUDENT ENJOY THE FESTIVITIES OF THE NEW MEXICO HOLIDAY SEASON BY BEING A HOST FAMILY.

Part of the experience of studying in the United States is experiencing the culture and customs firsthand. What better way than to have a student stay with you over the holidays!

Being a host family is easy: just open your home to an international student, provide a warm, welcoming environment, and share your own unique holiday traditions. You can count on Menaul School students to be polite, gracious, and helpful. Entertaining too!

Did you know, Menaul School students represent over 20 countries this year?!

Some of the students in the boarding program are unable to go home during Thanksgiving and winter break.
