> Individual Tickets \$175 (Early Bird: \$150 thru April 7)

Education is Vital.

Advancing education is a top priority for New Mexico and its children. In the Land of Enchantment, we want to ensure that every child has access to a quality education that will set them on the path to success for life — an education that grounds students in self awareness, instills confidence, and equips them with the tools, knowledge and discipline they need to reach their full potential.

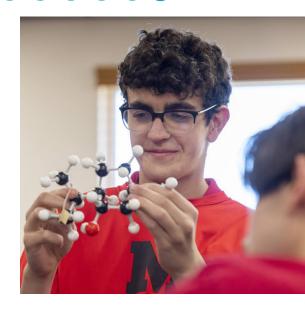

Menaul School educates students of all incomes for success.

Founded in 1896, Menaul School is a faith-based, independent, coeducational, college preparatory school for students grades 6-12. Menaul is the only day and boarding school in Albuquerque and has the most racially and economically diverse student population among independent schools in the region. For more than 125 years, in mind, body and spirit, Menaul School has been preparing students to succeed.

Domestic students pay individualized tuition based upon household income.

Your support can help ensure access to a great education for all.

Class Stats

- 25+ countries represented in the student body
- 95% college attendence
- 99% high school graduation rate
- 2 Million dollars awarded in annual university scholarships
